

In the Claims:

---Claims 1 through 38 have been previously canceled for pursuit in a continuation application.---

39. **(Amended)** A method for purchasing telecommunication services, comprising:
 receiving a request for purchasing at least one telecommunication service at a
server, the request being associated with a buyer;
 receiving information **from the buyer** regarding prior use of telecommunication
services of the buyer;
 generating an offer to provide the at least one telecommunication service to the
buyer in response to receiving the request and the information, the offer being associated with a
provider of telecommunication services;
 receiving a response to the offer, wherein the response is associated with the
buyer; and
 notifying the provider of the response and an identity of the buyer.
